Return Service Requested

I am blessed to have my mother and dad living close to me. After living in Arizona for 45 years, they have come home. There are many reasons I am proud of my parents.

One of those is that my dad was inducted into the U.S. Army the day I was born. He served our nation in World War II, Europe, Normandy, the Battle of the Bulge etc. He is a vet! At 94 years of age he speaks little of the awful experiences, but is still faithful to our nation and Christian principles.

Let us not forget our veterans. They are the reason we have the freedom we enjoy here in America. From World War II to Vietnam, from Korea to our present war in Iraq & Afghanistan, we have those who we are grateful to for serving our nation.

Do you have a story of a veteran who is one of those who has given a part of their life serving our country? Share it with me. Gospel Hill prays for our nation, it's leaders and troops & veterans daily. Write or email us.
